

SUMMER BUCKET LIST

Print and share the following page with the families in your ministry to give them ideas for how to connect with God, their community, and each other this summer!

All of the activities in this Summer Bucket List come from the Summer Family Challenge, so if you really want to equip families to have a fun-tastic summer, check out the full [Summer Family Challenge resource!](#)

The Summer Family Challenge is an **exciting "choose your own adventure" family activity** that provides parents and children with many different options for a **memorable, fun, and faith-filled summer**. Here's how it works:

- 1) Each family receives an **8-page Challenge Guide** with various assignments (like the ones in this freebie).
- 2) Then, they work together to complete as many of the challenges as they want, earning points for completing the challenges.
- 3) At the end of the summer, the **three families with the most points win a special prize!**
