Other candies include:

- Fire Ball
- Milky Way
- Krackel
- Starburst
- Blow Pops
- Smarties
- And more!

TWIX

JUST LIKE TWIX, TWO ARE BETTER THAN ONE.

**“Two people are better off than one,
for they can help each other succeed.
If one person falls, the other can reach out and help.
But someone who falls alone is in real trouble.”**

Ecclesiastes 4:9-10 (NLT)

Why do we all love Twix? Is it just the satisfying cookie crunch, the creamy caramel and the tasty chocolate? No! It's the fact that when you buy a Twix, you get two of them. You can eat the first candy bar as quickly as you want because when you finish it, there is another one. YEAH!

Read Ecclesiastes 4:9-10. These verses tell us what the makers of Twix already know, that two are better than one. We are not meant to do things alone all the time. Life is better when you have friends. Friends make life more fun, more adventurous and more amazing. What do you and your friends like to do together?

Friends also help each other. “If one person falls, the other can reach out and help.” Do you think this is the only time friends can help each other? Absolutely not! Two are better than one because they can help us study for tests, two can make a project easier, two can make carrying a heavy object a little easier, two can make learning a dance routine more fun, etc. What else can friends do to help each other out?

We can help each other with all kinds of things. The most important things we can help our friends with is telling them about Jesus and what he has done for them on the cross. You might be the only one who will ever talk to your friends about Jesus, so make sure you take the time to tell them.

Prayer Starter: Thank you God for the friends I have in my life. Help me to be the kind of friend described in Ecclesiastes.
