

WHAT ARE CREW CARDS?

How do you connect with the children in your ministry throughout the week? One way we did this was by asking each volunteer to take just a couple minutes after Sunday service to write a postcard to a child. We provide postcards and pens in Crew Card Folders, they pull out a pre-addressed postcard, jot down a quick note, and then stick it right back in the folder. We mail the postcard for them on Monday morning, and kids are PUMPED to receive mail from their leaders at church.
