A: We will have 3 services: 2 contemporary services at 9AM and 11AM, and 1 traditional at 10AM.
2. Q: Will there be children's ministry on Sunday mornings?  
A: We will offer children's ministry for elementary (completed K - 4th grade) at the 9 AM service only starting June 21. Physical distancing will be practiced. The children's ministry will be expanded to more age groups and times as we move forward.
3. Q: Can I bring my kids into the service with me if I don't feel comfortable putting them in the children's ministry yet?  
A: Yes! Kids are welcome to join the whole family in the main service.
4. Q: I know there is elementary programming, but what about my preschooler?  
A: Your preschoolers are invited to join you in the main service, and we'll also be streaming the service in the lobby if your little one(s) needs some wiggle room during the service. We hope to add preschool and nursery at

a later date but want to ease back into in-person services slowly so we can keep our kids, volunteers, and families safe.

5. Q: I'm nervous about attending a family service with my kids. Do you have any ideas for helping my kids sit through the service?

A: Yes! We'll be providing Praise Packs for kids to help them engage in the family service. Children can pick up these pre-packed kits in the lobby. We're also working to make our services family-friendly to help make our youngest members feel welcome and included.

A: Yes! Middle & high school students are invited to join Ryan and team for a Sunday morning Bible study at 9AM in the food court. Physical distancing will be practiced.

19. Q: How will check-in and check-out work?

A: We will have one volunteer manning our check-in stations, and we will use touchless thermometers to check the temperature of all children who want to join us for the morning. Share your name with the check-in volunteer, and they'll find you in our system to print your child's name tags. We will have volunteers walk with children to their classrooms, and ask that parents stay in the lobby, not entering the children's area? For check-out, we ask that parents form a line outside the children's area, and we will call children out to you one at a time.

20. Q: Will you serve a snack?

A: Because our services will be shorter than usual and for the safety of our children, we will not serve a snack.

21. Q: How will you practice social distancing with kids?

A: We will have only large-group sessions for our kids at this time, staying in the large-group space and not separating into small groups or classrooms. Chairs will be set up 6 ft apart, and children will be encouraged to stay in their chair. We will also not be using any physical supplies at this time.

22. Q: Does my child need to wear a mask?
