

## Creation: Day 5, Life in the Water and the Air

Now it was time to fill the water and the air, and God didn't just create a few creatures. He created a LOT of creatures! The Bible says that He wanted the waters to "swarm" with life. Some Bibles say God wanted the waters to be filled "abundantly" or "teem" with life. So He created fish, whales, and everything that lives and moves in the water plus all the birds of the air.

*And God said, "Let the waters swarm with swarms of living creatures, and let birds fly above the earth across the expanse of the heavens."*

*So God created the great sea creatures and every living creature that moves, with which the waters swarm, according to their kinds, and every winged bird according to its kind. And God saw that it was good. Genesis 1:20-21*
