# Parting the Red Sea

The people of Israel were terrified when they saw the Egyptians chasing them! They weren't soldiers. How could they fight and protect their families? And there was nothing but water in front of them—there was nowhere to run! But God reminded the people that He would take care of them and fight for them. And then He made a way right through the water!

*And Moses said unto the people, "Fear ye not, stand still, and see the salvation of the Lord, which he will shew to you to day: for the Egyptians whom ye have seen to day, ye shall see them again no more for ever. The Lord shall fight for you, and ye shall hold your peace." And the Lord said unto Moses, ". . . speak unto the children of Israel, that they go forward: But lift thou up thy rod, and stretch out thine hand over the sea, and divide it: and the children of Israel shall go on dry ground through the midst of the sea." And Moses stretched out his hand over the sea; and the Lord caused the sea to go back by a strong east wind all that night, and made the sea dry land, and the waters were divided. And the children of Israel went into the midst of the sea upon the dry ground: and the waters were a wall unto them on their right hand, and on their left.*

*And the Egyptians pursued, and went in after them to the midst of the sea, even all Pharaoh's horses, his chariots, and his horsemen. And Moses stretched forth his hand over the sea, and the sea returned to his strength when the morning appeared; and the Egyptians fled against it; and the Lord overthrew the Egyptians in the midst of the sea. Exodus 14:13-16, 21-23, 27*

Follow these instructions to draw a picture representing Moses parting the Red Sea like the one shown below: Decide if you want to draw the right half of the picture or the left half of the picture and draw it in one of the first two grids. You can draw both if you'd like. Don't worry if you can't draw every detail. Just do your best and draw as much of the picture as you can. Then, using a blank grid, try drawing the whole picture.
