

SUMMER FAMILY FAITH PLAYLIST

As ministry leaders, we have a great opportunity to bridge the gap between Sunday and the rest of the week. Sharing music resources with families can plant big seeds in a child's walk with Jesus and equip them to worship at home.

So share this Kids Worship Playlist Printable with the families in your church this summer! It's got a QR code that links to a curated mix of fun, Christ-centered songs that are upbeat, engaging, and full of truth. It's designed for the car ride, the kitchen, bedtime routines—anywhere life happens. It's a small tool that helps turn daily moments into lasting spiritual ones. Just print the printable, cut into half sheets, and share!
